# BENTON COUNTY SNOWMOBILE CLUB

**Merry Christmas and Happy Holidays to club members and friends! The end of November saw the fruition of all the hard work our volunteers put in, which culminated at Mr. Jim's, in the form of the Landowner's Appreciation Dinner. I had no complaints about the food either; I thought it was really good. Most things went pretty smoothly. We learn just a little more each year, what works and doesn't work, and when we piecemeal those ideas in each year, things seem to go well. But, the party isn't over yet! Make it to the December 12th meeting at the East Side VFW for the ugly sweater contest. Dig those hideous clothes out now, and maybe YOU could win cash money and also "bragging rights". Not everyone can say "I HAVE THE UGLIEST SWEATER", just the winner of the contest can. If you haven't made it to a meeting in awhile, please join us. Come support our trails, and keep our sport alive and flourishing. Many people want to help out others, even with their busy schedules. Here is your chance, and it's not overwhelming. "I will surely help when things slow down!" I've got some news for you, things NEVER slow down. Fit the club in your schedule and make it happen. Karma, or the powers that be,**

**may just reward you with FUN and FRIENDSHIPS which are tougher to acquire as we age. Please don't miss out on life, and please give back from your abundance, it's a good thing to do, and you'll be glad you did! Happy trails till we meet again.**
