BENTON COUNTY SNOWMOBILE CLUB

Well, we're sure doing a lot better than we were this time last year. There have actually been frosts, and the long term weather prediction is that we will have slightly above average snowfall this season. I don't know about you, but last year was agony. AGONY. I bought a new helmet, and it's still sitting in the box. I probably should have opened it to make sure it was the right model and the right size. I guess we'll see, there's nothing quite like surprises. Trail work is in full swing (apart from deer hunting weekends of course). Please volunteer some time if you can spare it. Trail re-routes are usually a lot of work, much more than just keeping brush at bay in the trail sections that rarely or never have to be moved. Also, please SELL raffle tickets. We only have to save a small quantity for the night of the landowner's dinner, so don't worry about that. Speaking of the landowner's dinner and raffle night, SAVE THE DATE: November 30th, 2024. If you're reading this, please come early and help set up the venue. Many hands make for light work. An e-mail will be sent out when the exact pre-game tailgate party starts. (Admit it, it really is a party!) Also, time is running out to grab your hotel reservation for MNUSA Rendezvous. February 6-9, 2025. If you like to snowmobile, you're invited! It's the Grand daddy of events for MN snowmobilers. Call (218) 751-3600 and ask for the reserved Rendezvous block of rooms. If that fills up, there's still hope. Doubletree by Hilton is (218) 441-4400. BE THERE
